WORK WEEKEND

Thanks to all the members who turned out for the work weekend. The work accomplished during the weekend should set the ground up nicely for the summer season. To those of you who didn't come, we hope you enjoy using the ground we put the work into.

GLEN FITA

The FITA is fast approaching on the 8th May. In the last newsletter I appealed for help in running the tournament on the day. To date I've had 3 people tell me that they can help out. I know of a few more who will probably help out (the same few who end up helping out at everything). I consider this to be greatly disappointing, but unfortunately predictable. It would appear that, as usual, you're all happy to sit back and leave the running of the club to just a few of us.

Should you wish to help out please let me know in advance on 0789 0520544 or mail@mjweldon.com. Alternatively, I'm sure to be happy to see you on the day.

As usual a raffle will be run on the day. If you've got anything lying around the house that you no longer need, don't stick it on eBay, let me have it and I'll use it as a raffle prize.

CORRECTION TO CLUB INFORMATION ISSUED

The information issued with your new membership cards contained an error in regard to the club coaches. The correct list should have read:

- Mark Stuart
- Eddie Pemberton
- Terry Jobson

OPEN DAY

The Open Day will take place as usual on Monday 2nd May. It'll run from 10am to 4pm so if you have any spare time either come along and lend a hand showing people what to do, or show off your own skills to get them interested.

I'm unfortunately stuck at work, so if you're following the other great Bank Holiday tradition I'll see you at B&Q ☹.

MEMBERSHIP SUBS

Membership was due to be paid to Jeff Green by 1st April (any queries contact Jeff). If you haven't yet paid you're no longer classed as a member of BOGAS (I've sent this newsletter to everyone who was a member in 2004/05 – if you've not yet paid this is the last reminder you'll be getting). If you want to remain as a member, get your subs in quick!

The codes for the locks have now been changed and you should have been notified of the new codes when Jeff sent you your new membership card. Don't tell anyone else the codes (even if you think they're a member). Everyone will get notified of the new codes when they pay their membership fee – if they don't know the code chances are they haven't paid!

AGM

Enclosed with this newsletter you should find a copy of the AGM notification. This is happening on Saturday 14th May at 2pm. All members are encouraged to attend and vote on matters affecting the club. You can also nominate yourself if you wish to stand for any posts. Check out the enclosed sheet for all the information.
