CODE CHANGE

Shortly after you receive this newsletter the code on the locks will be changed. The new code will be ****. Please remember to lock the club when you leave and don't leave the locks with the code set when you take them off! Please also remember to shut the gate behind you when you enter or leave the ground – the gate should be shut whilst you are shooting.

WEBSITE

I updated the software that runs the website last month. As I stated at the time you would need to register again if you had previously done so. The members section can now begin to contain more information so I would encourage you to take a look. Let me know if there is anything you would like to see on there. Likewise if you have any news items or photographs then please let me have them.

I'm also now receiving email through the .org domain so this new address is the one I'll now use to send you information. I'll stop monitoring the old one soon so please don't send email to the old .com address.

CLASSIFICATIONS & COUNTY TEAM

I emailed you the June updates to the handicaps not so long ago – congratulations to Lucy Colledge who gained her Junior Master Bowmen GU12 Recurve. Lucy was also picked to shoot in the county team, joining Zoe & Julian Smethurst, who beat Notts on the 29th May.

ROSE AWARD TOURNAMENT – MAY 8TH

Chris Hennessy sent me the following report on the tournament:

Judges: Pam Tonkin, Chrissie Mortlock, Richard Custance, Adam Guest & Mark Stuart

A massive turn out on the day from many different areas. Mark Allsopp contacted me to give warm thanks for the shoot and express his great thanks for the very warm welcome that archers are given when shooting on Bowmen of Glen grounds. He also stated that quite a few clubs from Derbyshire always look forward to our York/Hereford due to the way it is run and the catering.

We experienced a few problems, but thankfully these were sorted out without the Judges being aware of them.

A big, huge thanks to everyone that helped out on the day - without the help of members with these shoots, we as a club would not be able to give the archers the standard of equipment to shoot on. However, I shall be calling on members again for help for the September 17th & 18th FITA Star and Double 720. For this weekend it would be nice to see faces that have not helped out in the club before come and join in on the fun of helping out at these events to raise money.

Remember this is your club; this money is going towards a new club house being built on the ground.

THANKS

We've run beginners courses and many try archery's over the last few months (with more still to come) – a big thanks to everyone who has come and helped out with these. Also, thanks to everyone who turned out for both the work weekend and the removal of the dead tree a couple of weeks back. And finally, as Chris has already mentioned, thanks to everyone who came to help out at the tournament – we couldn't do it without you!

BOW TUNING COURSE

Richard Hennessy will be running a bow tuning course on Saturday the 9th July starting at 9.30am. You need to bring your own bows & equipment along – please drop an email to let Richard know to expect you.

That's all for this time,

Mark
