

Archery at Bowmen of Glen

Guidelines on shooting

Arrival & Access

- Use the Boss booking feature before or on your arrival. (Include all archers if in a group).
<https://bowmenofglen.org/product-category/book-bosses/>
- Gate code: Will be provided on booking (if a visitor)
- Clubhouse Key: Located in code combination box on old clubhouse door (toilets end)
- Gate security: **Keep the Gate closed at all times during Archery.**

Parking

- Summer: Hard ground and grass areas around car park
- Winter: Hard grounds only.

Parking

Shooting protocol

- Safety First: Follow standard archery safety rules.
- The field has two ranges separated by a safety zone. Each range can operate separately.
- Field Captain: If shooting solo you are the field captain for the range, else a nominated field captain must control arrow collection signals. Whistle or verbal.
- Boss capacity: Max 4 archers per boss, 2 per detail.
- Solo shooting: Allowed for Archers 18+ under rule 301 (- at the Archers own risk).
 - Juniors must be supervised by a responsible adult archer or club member who is a qualified archer.

Indoor

- Day light use only: Generator access is restricted. Indoor shooting is available during daylight hours unless a committee member is present.
- After dark booking: Requires prior confirmation from the committee.
- Generator upgrade: Remote Start Stop is in progress. Updates will be shared once available.

Target movement

- Fixed Distances: Targets must remain at booked distances.
 - Please let the committee know if the boss is not on distance stated on website.
 - Exceptions: if moved, targets must be returned to original position.
- Safety note: Minimum two senior members required to move targets. Seek guidance is unsure.
- **Moving the Boss is done at your own risk!**

Indoor bosses

- **Moving the Boss is done at your own risk!**

Facilities

- Toilets: Accessible via the old clubhouse using the same gate code on the key box.

Departure checklist

- Lock and scramble the gate padlock code
- Report incidents immediately

Indoor

- Turn the Generator off (if used)
- Lock rear emergency exit and clubhouse door
- Return the key to the combination box.
